

Expression of Interest –Consultant Planner

HillPDA is seeking a motivated consultant planner who is passionate about land use strategy, social planning and research.

About HillPDA

HillPDA is a specialist consulting firm providing services in strategic planning, property economics, valuation and property advisory. We are highly respected for our expertise in planning, property economics, development advisory and valuations.

An opportunity exists for a planner to join our Sydney office as a Consultant. This role will suit an enthusiastic and passionate planner with 1-2 years experience. We will consider part-time and full-time candidates.

About the role

As a planner you will have the opportunity to:

- Work on a variety of exciting projects
- Gain exposure to a range of planning disciplines including strategic, statutory and social planning
- Undertake research and stakeholder engagement
- Participate in field work such as floor space surveys
- Contribute to reports that will influence the future of our urban areas
- Work with high calibre professionals who will be your mentors.

To be successful in this role you will need:

- Strong writing skills
- Ability to work independently and in a team environment
- Effective time management skills
- Familiarity with Microsoft (essential) and Adobe Creative Suite (preferable)
- Knowledge of NSW planning system.

Why HillPDA?

At HillPDA we are passionate about our work. Our work is varied but typically includes local housing strategies, affordable housing contribution schemes, employment lands strategies, planning policy, social impact assessment, community engagement and commercial centre revitalisation. We offer:

- A competitive salary
- Support to develop your skills
- Flexible working arrangements
- A central CBD office location
- Regular social activities.

To apply

Interested candidates should submit their CV with cover letter to admin@hillpda.com

If you would like to discuss the position, please contact Elizabeth Griffin on (02) 9252 8777.

For over 30 years, HillPDA consulting have been bridging the gap in knowledge between planning, development and economic opportunities. www.hillpda.com
